

## Standards of Acceptable Library Behavior Policy

APPROVED: BOS

Date: October 16, 1991, Revised March 16, 2009

Section: 1205

1. The purpose of this policy is to set policy guidelines for staff and patrons in areas of human behavior and conduct in the use of Mohave County Library facilities. Failure to abide by Library Policies: Patrons who fail to abide by any of these standards will receive one warning. Any patron who willingly and repeatedly fails to abide by all written library policies shall be asked to vacate the library premises. Patrons that refuse to vacate the library premises when asked to do so will be referred to a local law enforcement agency. Repeat offences will result in the loss of library privileges and the individual being **BARRED** from all Mohave County Library District facilities.
2. This library is part of the Mohave County Library District, which is supported by citizens' tax dollars. It is your library, and we believe that every customer of the library has a right to expect the facility to be a clean, pleasant, and safe place. To best serve all library users, the library district has established certain standards of acceptable library behavior.   7. **REFUSAL TO LEAVE THE LIBRARY:** All patrons are expected to vacate the library promptly at closing or when asked to leave by staff. Library staff will notify patrons five minutes prior to closing.
